1) Call to Order:

Mayor Lyon called the meeting to order at 7:00 pm in Dr. Cynthia Mignano's absence and led the group in a prayer and the pledge of allegiance. Mayor Lyon then introduced attendees and asked others to introduce themselves.

2) Approval of Minutes:

Motion was made to approve minutes from July 30, 2025, seconded; motion passed.

3) Public Comments:

- Michael Williams, 746 Willow Lake Road. Thanked the Town and the County for keeping residents safe with deputy patrols and pedestrian improvements; including roadway work. Williams urged greater funding for the Greenbelt program through the County Transportation Sales Tax program.

4) Old Business:

- a. Raised Medians (Ft. Johnson & Folly Roads) and SCDOT Safety Audit Update:

Mayor Lyon described the recent update from SCDOT and noted that the SCDOT are still considering raised medians and do not find that the signalization of Folly Road and Santee Street is warranted; but they would restrict left turning traffic. Marilyn Clifford noted that SCDOT doesn't understand the concerns for businesses, residents, tourists, and emergency vehicles and asked for a contact person. She also noted that SCDOT considered closing the road at one point. Mayor Lyon noted that the SCDOT contacts and their engineers are in the packet. Representative Harnett asked for some clarification on the maps. It was noted that the medians need to be well marked. Representative Wetmore noted that she has been unsuccessful in changing SCDOT's plans.

- b. Camp Road Middle School:

Mayor Lyon noted that she met recently with Superintendent Huggins and that the Middle School is considering using the old track at a future date for more stacking capacity. For this year, the traffic does seem improved. Dr. Carol Temple reported that the school is using the Baxter-Patrick library for some bus pickups.

- c. Greenhill Road (re) paving:

Mayor Lyon noted how poor recent paving job has left the road surface. Alex Owsiaik with the County provided a recent email, noting that there will be a punch list for Sanders Brothers and hopefully that will correct many of the issues.

5) New Business:

- a. Devri Detoma:

Provided a quick update on current projects:

- Jeff Galliard Lane recently awarded
- Maybank and Woodland Shores complete streets and sidewalks is under construction; completion mid-2026
- Central Park drainage culvert replacement and road elevation construction underway. Completion in April 2026, but the road will be temporarily opened in the evening for the Festival of Lights.
- Fort Johnson and Secessionville Traffic Light bids groundbreaking held and notice to proceed issued.

- The same can be said about the Fort Johnson and Camp Road roundabout; this was bid together with the Secessionville intersection light. There will be a public meeting next week to further discuss activities with the public.

Rural Roads In-Design

- Donnie and Rafael
- Orangeburn
- Rosebush
- Central Park and Riverland Drive intersection improvements are projected to be advertised in December of 2025.
- City golf course and sidewalk connection improvements was advertised with one bid for \$770,000 for one traffic signal. This will require a determination of greater CTC funding committee for more funding, and it will need to be rebid.
- Folly Road bike and pedestrian improvements project is the multi-use project from Ellis Creek to George Griffith Blvd. This project has been bid three times. DBE issues caused a recent issue and the project will be rebid in a couple of months.
- Country Club Drive and Folly Road pedestrian improvements is ready for bid advertising in the next few months also.
- Dills Bluff Sidewalk Phase 3 is expected to be advertised in the 4th quarter of 2025. Plans are almost ready.
- Fleming Road sidewalk the County is working on utility and easements and hopes to advertise in 2026.
- James Island County Park bike/ped access via Riverland Drive will be 700' of concrete sidewalk for park access. Will be ready mid-2026.
- Sol Legare Sidewalk is a mile long phase to start. \$2 million has been secured by State Representative Leon Stavrinakis. Design is expected to be at about 30% by end of year.
- West Oceanview rocking is a Town of James Island TST project is on hold pending resident requests.

Pavement Management:

- Data collected in 2025, Fort Johnson is due to be repaved and have new sidewalk construction.
- b. The County then provided a presentation regarding the Charleston County Transportation Sales Tax (½ cent) effort. The TST will be considered for extension, and the County is looking for specific recommendations and project lists for such an extension. A publicly vetted list will be developed by December 1. Clifford asked about the resurfacing of roads in James Island and it was noted that no rejuvenation is occurring in the Town of James Island.

6) Legislative Updates:

James Island PSD Updates:

District Manager Ashley Kellahan provided updates on:

- The District's new website, and noted the capital projects page
- Harbor View Force Main replacement project is expected to be completed in January.
- Clark's Point public sewer has 185 properties to connect, 60% of the infrastructure is complete. April 30 is anticipated completion date for phase 1. Phase 2 is tying in residents.
- Cured in place pipelining continues.
- Fire Department received a grant for \$22,000.
- Commission approved a feasibility for replacement of Fire Station #4 farther down Folly Road. Station #2 is on schedule to open in February of 2026.

Charleston County:

- Council Member Honeycutt noted that the County is working very hard on the TST input and noted if the public is not interested in extending the tax, the County will have to look at other ways to fund infrastructure projects.
