- D. Community gardens @ BPJI and bus stops: From Amy Adams Amy Adams <Adamsa@ccpl.org>:
1. First, the BPJI Library has applied for a grant from the South Carolina Association for Community Economic Development to create a community garden at the library. We will find out at the end of this month if we will receive the grant. In the event that we do, I am trying to nail down some community partners that might be interested in helping us build, plant, and tend the items in the garden. Would anyone from the Town of James Island be interested in helping? Or do you have any recommendations for contacts with local clubs or organizations that we might want to reach out to?
 2. Additionally, we had someone ask about the "Community Corner" shelter at the CARTA bus stop on the Grimball Road Extension, at the corner of Grimball Extension and Folly. Is that maintained by a community group?
- E. Next meeting will be March 17, 2022.
