PRESS RELEASE

DBi Services, LLC announces temporary closures of one traffic lane on the James Island Connector Bridge, which carries traffic over the ICWW and the Ashley River on SC-30. These lane closures are scheduled to occur on the dates listed below:

East Bound Right Lane

Sunday, July 14th through Thursday, July 18th from 9:00pm till 5:00am

Sunday, July 21st through Thursday, July 25th from 9:00pm till 5:00am

Sunday, July 28th through Thursday, August 1st from 9:00pm till 5:00am

The temporary lane closures are necessary for bridge maintenance. If further lane restrictions or weather forces changes, the public will be notified.

Barricades, cones, signs and flashing arrows will be utilized for the Work Zone and signs will identify the closure. The public is asked to exercise caution while driving through the area. If you have any questions or need further information, please contact DBi Project Manager Ritchie Rhodes, at 843-302-7442.
