

A RESOLUTION REGARDING TEXTING WHILE DRIVING

WHEREAS, research clearly confirms that attempting to type, send and read text messages while driving significantly increases the number of accidents occurring on our roads and contributes to a heightened condition of risk for all of our citizens who use our roads; and

WHEREAS, this danger can be minimized through effective legislation and enforcement,

NOW, THEREFORE, BE IT RESOLVED that the Town of James Island encourages the City of Charleston and Charleston County to enact legislation making the use of hand held communication devices illegal while driving and to vigorously enforce these laws.

This resolution shall become effective upon its adoption and approval.
