The Town of James Island held its regularly scheduled meeting at 7:00 p.m. in Council Chambers, 1122 Dills Bluff Road, James Island, SC on Thursday, September 20, 2018. The following members of Council were present: Leonard Blank, Mayor Pro-Tem, Garrett Milliken, Joshua P. Stokes, Darren “Troy” Mullinax, and Mayor Bill Woolsey, presided. Also, Ashley Kellahan, Town Administrator, Bonum S. Wilson, Town Attorney, Merrell Roe, Finance Director, Mark Johnson, Public Works Director, Sergeant Shawn James, Island Sheriff’s Patrol, and Frances Simmons, Town Clerk. A quorum was present to conduct business.

Opening Exercises: Mayor Woolsey called the meeting to order. Mayor Woolsey led Council in prayer and followed with the Pledge of Allegiance. FOIA: This meeting was published and posted in accordance with the Freedom of Information Act and the requirements of the Town of James Island.

Mayor Woolsey announced that the meeting agenda was published late because of the evacuation of Hurricane Florence and according to Town Rules a motion is required to approve the agenda. Motion was made by Councilman Milliken, seconded by Councilman Stokes. No discussion. Passed unanimously.

Public Hearing: Ordinance #2018-11: Proposed Change to the Town of James Island Zoning and Land Development Regulations Ordinance, including adding additional requirements/conditions for parking lots in CN, OG, and OR Zoning Districts (ZLDR), Section 153.157.

Mayor Woolsey opened to Public Hearing and the following persons spoke: Joe Walters, 928 West Oceanview stated that he wanted to make Council aware that the language does not distinguish emergency vehicles, i.e., firetrucks or law enforcement, and he would like to make sure that is considered. Mr. Walters distributed a copy of the location of fire hydrants. One is located at 1556 Kemper, that fire hydrant is 310 feet to the kitchen at the Sports Pub. 793 Folly Rd., that hydrant is 304 feet to the kitchen at the Sports Pub; the fire department would have to cross four lanes of 40 mph traffic. At 792 Folly Rd. there are no fire hydrants. He said that he and his brother met with the Town and has a rezoning package but has held off submitting it until the language was finalized.

Reubin Wilson, 1610 Patterson, commented on the property owner’s claim that emergency vehicles cannot access the fire hydrants. They could easily add more on Folly Rd. rather than opening access into the Bayfront neighborhood.

Public Comments: None.

Consent Agenda:

- a. Minutes: August 16, 2018 Regular Town Council Meeting: Motion to approve the Consent Agenda was made by Councilman Stokes, seconded by Councilman Blank. Passed unanimously.

Information Reports:

- a. Finance Report: Finance Director, Merrell Roe reviewed highlights from the Finance Report and it was accepted as information.
- b. Administrator Report: Town Administrator, Ashley Kellahan reviewed the Administrator’s report adding that a ribbon cutting will be planned for the Bus Shelter at Camp/Folly. She also responded to Councilman Milliken’s question regarding the Harbor Master’s House property as it pertains to storage. Report accepted as information.
- c. Public Works: Public Works Director, Mark Johnson presented the Public Works Report and it was accepted as information.
- d. Island Sheriff’s Patrol: Sergeant James gave an update on the homicide in Greenhill. He said this was a tragic situation but expressed appreciation for how the community came together to help law enforcement make an arrest. The Crime Statistics and Island Sheriff’s Patrol reports were presented and accepted as information.

Requests for Approval:

Radar Gun for Island Sheriff's Patrol: Sergeant James presented a request to approve a radar gun (Stalker Radar Applied Concepts, Inc) for the Island Sheriff's Patrol. He said one of the things the Island Sheriff's Patrol does is combat speeding points in the Town. He noted that 70% of the deputies are in marked patrol cars. He used an example of being stationed at Pauline or Schooner with a radar and not be seen. The Stalker Radar is cordless and it would allow a deputy to park in someone's yard, walk towards the roadway, and detect speed. Sergeant James said he believes this is something the Town and citizens would benefit from. Councilman Blank asked how would the radar gun be assigned and Sergeant James said it would be stationed at the Town Hall and signed out. The cost is \$2,849. Motion to approve was made by Councilman Blank, seconded by Councilman Stokes and passed unanimously.

Sponsorship of Holiday Festival of Lights: Mrs. Kellahan announced that the coordinator for the Festival of Lights contacted the Town to see if we were interested in sponsoring the Egret for the 2018 and 2019 Holiday Festival of Lights. Mrs. Kellahan said she thought this would be good use of the hospitality tax funds because the festival brings many visitors to the island. The cost is \$2,000 per year for a two-year commitment. The Town's name will be on the egret. Motion in favor was made by Councilman Stokes, seconded by Councilman Mullinax and passed unanimously.

Additional Striping/Signage Charges for Harbor Woods Traffic Calming: Mrs. Kellahan reminded Council that they had previously approved the base price for striping at \$10,655. She explained when this was presented to Council several meetings ago, the \$11,220 for the alternate pricing was also included; however, she was under the impression that was covered by Asphalt Concept. Mrs. Kellahan clarified that both charges are being paid to Tars & Stripes. She noted there were additional costs throughout the project for items such as striping, new signs, and replacement of signs and poles. She said the total of \$30,000 in addition to the \$41,000 paid to Asphalt Concepts is around \$70,000, compared to an estimate from Johnson, Laschober Associates for between \$65- \$75,000. Motion in favor was made by Councilman Stokes, seconded by Councilman Blank. Councilman Stokes asked if only the portions under the addendum were being approved, to which Mrs. Kellahan said the alternate and the addendum pricing is for approval. Motion passed unanimously.

Tallwood Drainage Improvements Project: Mrs. Kellahan informed Council that the estimate for this project was not received in time for this meeting. Item was postponed without objection to the October meeting.

Committee Report:

Land Use Committee: Councilman Blank announced that the Board of Zoning Appeals would hear an application for a Gasoline Service Station at Camp @ Dills Bluff, Tuesday, September 25 at 7:00 p.m. The applicant is requesting to remove a grand tree and to encroach into the setbacks. Councilman Blank asked those who are interested or want to express their concerns to attend the meeting.

Environment and Beautification Committee: Councilman Milliken gave an update on the Adopt-a-Highway litter pickup on Sat. September 8. Over 50 volunteers collected 65 bags of trash from James Island roadways. Special thanks to Heidi Juarez and her ARLA group for participating and to Deanne and Kenny Grayson for picking up the bags in anticipation of the hurricane. Thank you to Edison's for providing lunch for the volunteers. The next Adopt-a-Highway litter pickup is Saturday, November 3; 9-11 a.m. Councilman Milliken announced the first annual Sea Island Arts Fest on Saturday, September 29 from 2-6 p.m. He encouraged everyone to attend to enjoy the James Island Band, food, arts & crafts and other activities. Price \$7 at the door, and \$5.00 with a non-perishable food donation to James Island Outreach.

Children's Commission: Councilman Stokes announced that the September meeting was not held because of the hurricane. He announced the tentative date for the Lights on After School Program Thursday, October 25 from 6-8 p.m. at the Town Hall. Lights On is held in conjunction with the four elementary Kaleidoscope after school programs on James Island. This has been a great event in the past and everyone is invited to attend.

Public Safety: Councilman Mullinax announced the Neighborhood Council meeting on Thursday, September 27 at 7:00 p.m. He thanked staff and Council for their involvement in preparing for the hurricane and the evacuation and to the Neighborhood Council for providing reports to staff of damages on the island.

History Commission: Mayor Woolsey announced that the September History Commission meeting was not held because of the evacuation. The next meeting will be held on Tuesday, October 2, 7 p.m. to review of the history of James Island booklet.

Rethink Folly Road Committee Report: Mayor Woolsey announced that the Rethink Folly Road Steering Committee would meet on Wednesday, September 26 at 3:30 p.m. and hope to receive a report on the multi-use paths for Folly Road.

Drainage Committee:

Proclamations and Resolutions:

Proclamation to Recognize Caleb Avery Smith: Mayor Woolsey read a proclamation to recognize Caleb Avery Smith. Caleb is the grandson of Town Receptionist, Mag Williams and the son of Kevin and Nicole Smith. Caleb was recognized for his outstanding achievement as the winner of the Optimist International Oratorical Championship Award on June 29 in St. Louis. Motion in favor was made by Councilman Stokes, seconded by Councilman Mullinax and passed unanimously.

Proclamation to dedicate the Frances Simmons Council Chambers: Mayor Woolsey read a proclamation to recognize Frances Simmons and dedicate the Town Council Chambers in her honor. Frances was recognized for being a long-time employee with the Town since 2002 and appointed as Town Clerk in 2006, the Town's third incorporation. Motion in favor was made by Councilman Milliken, seconded by Councilman Blank and passed unanimously.

Proclamation for Breast Cancer Awareness Month: Motion in favor was made by Councilman Milliken, seconded by Councilman Stokes and passed unanimously.

Resolution #2018-10: Town of James Island Local Match for MASC Hometown Economic Development Grant: Mrs. Kellahan reported that this is an annual Grant done by the Municipal Association. The Town applied for the Pinckney Park pavilion last year and was one-tenth of a point from the winner. The Municipal Association has given advice about some areas of the application that we could improve on and Mrs. Kellahan believes this is a good project to apply for again this year. The match is \$3,750. Motion in favor was made by Councilman Stokes, seconded by Councilman Milliken. No discussion. Motion passed unanimously.

Ordinances up for Second Reading:

Ordinance #2018-06: Loitering and Sleeping in Public Places: Mayor Woolsey stated that the Town Attorney has asked to do further research. Consideration to postpone without objection was granted by Council to the next meeting.

Ordinance #2018-10: An Ordinance Recognizing Implicit Repeal of Ordinance #2012-08: Motion in favor was made by Councilman Stokes, seconded by Councilman Milliken. No discussion. Motion passed unanimously.

Ordinances up for First Reading:

Ordinance #2018-11: Proposed Change to the Town of James Island Zoning and Land Development Regulations Ordinance (ZLDR), including adding additional requirements/conditions for parking lots in CN, OG, and OR Zoning Districts, Section 153.157: Motion in favor was made by Councilman Blank, seconded by Councilman Stokes. No discussion. Motion passed unanimously.

Ordinance #2018-12: An Ordinance to Amend Chapter 151: Town Regulations Concerning Flood Damage Prevention: Mrs. Kellahan stated that the Town is a member of the National Flood Insurance Program (NFIP). The NFIP is going through their Community Rating Program that provides a discount to our residents off their flood insurance. As a part of the program, NFIP has to review our ordinances. They have recommended a few amendments that we need to make: to add the date of the map from the Flood Insurance Study from November 17, 2004, and add language that all permanent applications need to be reviewed and determined whether proposed building sites are reasonably safe from flooding. Charleston County has made us aware that they are adopting these amendments so the Town needs to adopt an amendment to be timely with our review process. Motion in favor was made by Councilman Stokes, seconded by Councilman Milliken. Mayor Woolsey added that this is a requirement in order to remain in the program. Motion passed unanimously.

New Business: None

Executive Session: Not needed.

Adjournment: There being no further business to come before the body, the meeting adjourned at 7:37 p.m.

Respectfully submitted:

Frances Simmons

The AER will take precautions to minimize damage due to these activities, but has not included in the fee the cost of restoration of any resulting damage.

**Fee** --The total fee, except stated lump sum, shall be understood to be an estimate, based upon Scope of Services, and shall not be exceeded by more than ten percent, without written approval of the Client. Where the fee arrangement is to be on an hourly basis, the rates shall be those that prevail at the time services are rendered.

**Billings/Payments** -- Invoices will be submitted monthly for services and reimbursable expenses and are due when rendered. Invoices shall be considered PAST DUE if not paid within 30 days after the invoice date and the AER may, without waiving any claim or right against Client, and without liability whatsoever to the Client, terminate the performance of the service. Retainers shall be credited on the final invoice. A service charge will be charged at 1.5% (or the legal rate) per month on the unpaid balance. In the event any portion of an account remains unpaid 90 days after billing, the Client shall pay cost of collection, including reasonable attorneys' fees.

If (1) the client fails to authorize such investigation or correction after due notification, or (2) the AER has no reason to believe that such a condition exists, the client is responsible for all risks associated with this condition, and the AER shall not be responsible for the existing condition nor any resulting damages to persons or property.

**Risk Allocation** -- In recognition of the relative risks, rewards and benefits of the project to both the Client and the AER, the risks have been allocated so that the Client agrees that, to the fullest extent permitted by law, the AER's total liability to the Client, for any and all injuries, claims, losses, expenses, damages or claim expenses arising out of this agreement, from any cause or causes, shall not exceed the total amount of the AER's fee or other amount agreed upon when added under Special Conditions. Such causes, include, but are not limited to the AER's negligence, errors, omissions, strict liability, breach of contract or breach of warranty.

**WHEREAS**, South Carolina Code of Laws 5-7-30 as amended gives municipalities the power to enact regulations respecting any subject which appears to it necessary and proper for the security, general welfare, and convenience of the municipality or for preserving health, peace, order, and good government in it:

**NOW THEREFORE, BE IT ORDAINED** by the Mayor and Council of the Town of James Island, SC:

A. It shall be unlawful to camp or sleep in any Town park, parking lot or other public property in any vehicle or trailer, or otherwise.

B. No person shall loiter or prowl in a place, at a time or in a manner not usual for law-abiding individuals under circumstances that warrant alarm for the safety of persons or property in the vicinity. Among the circumstances which may be considered in determining whether such alarm is warranted is the fact that the actor takes flight upon appearance of a police officer, refuses to identify himself or manifestly endeavors to conceal himself or any object.

C. Unless flight by the actor or other circumstances makes it impracticable, a police officer, prior to any arrest for an offense under this division, shall afford the actor an opportunity to dispel any alarm, which would otherwise be warranted, by requesting him to identify himself and explain his presence and conduct. No person shall be convicted of violating this division if the Law Enforcement officer did not comply with this section or if it appears at trial that the explanation given was true and would have dispelled the alarm and disclosed the lawful purpose. The provisions of section (C) are applicable to sections (B) through (J) therein.

D. Dwelling areas. No person shall hide, wait or otherwise loiter in the vicinity of any private dwelling house, apartment building or any other place of residence with the unlawful intent to watch, gaze or look upon the occupants therein.

E. Public restrooms. No person shall loiter in or about any toilet open to the public for the purpose of engaging in or soliciting any lewd, lascivious, or any unlawful act.

F. Parks and public grounds. No person shall loiter in or about any school, or public place at or near which children or students attend or normally congregate. As used in this division, "loiter" means to delay, to linger or to idle in or about any said school, park or public place without a lawful purpose for being present.

G. Buildings. No person shall loiter or lodge in any building, structure or place, whether public or private, without the permission of the owner or person entitled to possession or in control thereof.

H. Restaurants, bars. No person shall loiter in or about a restaurant, tavern or other building open to the public. As used in this division, "loiter" means to, without just cause, remain in a restaurant, tavern or public building or to remain upon the property immediately adjacent thereto after being asked to leave by the owner or person entitled to possession or in control thereof.

I. Parking lots. No person shall loiter in or upon any public parking surface lot or public parking structure, either on foot or in or upon any conveyance being driven or parked thereon, without the permission of the owner or person entitled to possession or in control thereof. As used in this section:

(1) *PARKING LOT.* An open area providing off-street parking for the motor vehicles of residents, tourists, customers, or employees on a temporary, daily, or overnight basis.

J. Private or public residential property. No person shall loiter in or on private or public residential property in residential neighborhoods. As used in this division, "loiter" means to, without just cause, linger, remain in or on private or public residential property, or to remain upon the property immediately adjacent thereto after being asked to leave by the owner or person entitled to possession or in control thereof, or where "No Loitering" signs are posted.

K. Streets, Sidewalks, and Rights of Way. No person shall loiter whereby passage over, on, or along a street, sidewalk, or right of way is obstructed in the manner by which a person so accused stands, loiters, or walks thereon.

L. Penalty; continuing violations. Any person who is convicted of any violation of this section, the court before whom an offender shall be tried may sentence him to pay a fine not exceeding the maximum fine permitted by law or serve a term not exceeding 30 days in jail, or both. Each day any violation of this section shall continue shall constitute a separate offense.

M. Court order on jurisdictional limits. In addition to the penalty that may be imposed pursuant to division (L) above, any person who is arrested for and/or convicted of violating any provision of this section may be subject to an order of the court, which shall impose a jurisdictional limit on said person prohibiting his presence in a specific geographic area of the Town. Failure to comply with the court order shall constitute a violation of the court order and shall result in the following:

(1) In the case of a bond where jurisdictional limits have been imposed, the bond may be revoked and the person shall be incarcerated until trial; and/or

(2) In the case of a sentence where jurisdictional limits have been imposed, the suspended sentence may be revoked and the person shall be incarcerated until he has served the original sentence imposed by the court without any portion thereof suspended.
