

**Town of James Island**  
**Tree Advisory Committee**  
**Meeting Minutes**  
**Tuesday, March 9th, 2021, 4:30 PM**  
**Virtual Meeting**

**Members Present:** Garrett Milliken (Environment & Beautification Committee Chair), David Tomblin, Paul Cantrell & Jenny Welch, Kathy Woolsey, Robin Hardin and Amy Fabri

Meeting commenced at 4:30 pm

**I. Approval of February Meeting Minutes**

Motion carried, 1 abstention due to absence

**II. Tree Survey**

Mark Johnson hired tree survey staff who have begun the tree survey. He had a real-time demonstration of the survey work in process via Geothinq software. The surveying began at the end of Ft. Johnson Rd by DNR. Plan to add photos of each tree surveyed.

**III. Tree List**

Kathy Woolsey emailed the tree list to members of the committee. Motion was made to accept the list and add to the town website. Robin Hardin seconded the motion.

Motion carried.

**IV. Tree Sign**

Kathy Woolsey is in the busy season at work and can no longer research the sign. Amy Fabri offered to take over the research. Kathy to email Amy the progress notes and contacts.

**V. Tree Planting Project**

Jenny Welch to investigate school projects. Possible candidates for seedling project, but concerns were raised about Covid.

Mark Johnson stated Cub Scout Troop 50 for the tree seedling program.

Discussion of pots available at Pinckney Park which lead to a discussion of the availability of WiFi at the park and solar panels on the shed.

The town will be removing a rotten tree from Pinckney Park

**VII. For the Good of the Order**

Discussion of dogwood disease and the felling of the Friends Tree in Mt. Pleasant by SCDOT.

**Adjourned at 5:05 pm. Next meeting is April 13<sup>th</sup> at 4:30 pm.**
